

A street scene at dusk. In the foreground, a black lamppost holds a flag with a red diamond logo containing three stars and the text 'DIGITAL DC'. Below the logo, it says 'The Innovation Capital' and 'www.digitaldc.co'. The background features a multi-story brick building with large windows and a sign that reads 'WINTER GARDEN'. The sky is a clear, pale blue, and the street is visible with some cars and pedestrians in the distance.
