

## CAREERS IN CONSTRUCTION WORKSHOP

by Smoot | Gilbane and CHOICE

### IF YOU:

- Like good pay and great benefits
- Have a good math aptitude
- Are dependable and drug-free
- Want a career, not just a job

*Do you like the challenge of learning a new skill? Would you like to earn while you learn?* If so, apprenticeship training may be a good choice for you. Apprenticeships combine a full-time job with training and prepare you to enter specialized construction trades.

On March 21, Smoot | Gilbane and CHOICE (Community Hub for Opportunities In Construction Employment) are hosting a Careers in Construction Workshop at the RISE Demonstration Center for DC residents to find out about apprenticeship opportunities. Construction begins this summer on two major construction projects: Entertainment and Sports Arena at St. Elizabeth and MLK Library Downtown. Subcontractors are looking for skilled DC residents to fill their workforce needs on these construction projects and more. Hear from employers, apprenticeship directors and trade representatives as they talk about:

- what it takes to become an apprentice
- what the training is like
- what apprenticeship opportunities exist
- who offers training through apprenticeship
- how to apply

### REGISTER TODAY FOR THE CAREERS IN CONSTRUCTION WORKSHOP

DATE: March 21, 2017

TIME: 10:00am

LOCATION: RISE Demonstration Center, 2730 Martin Luther King Junior Ave., SE, Washington DC 20032

### Smoot | Gilbane and CHOICE, Organizers of CAREERS IN CONSTRUCTION WORKSHOP

As the joint venture providing construction management at-risk services, Smoot | Gilbane is collaborating with EventsDC and Rossetti | Marshall Moya Design to build and deliver the new Entertainment and Sports Arena for its Fall 2018 opening; as well as maximizing opportunities for local trade subcontractors and suppliers and employing skilled DC residents. A Project Labor Agreement has been signed with CHOICE, the Community Hub for Opportunities In Construction Employment. CHOICE is an office of North America's Building Trades Unions that is working with the 28 local unions in the greater Baltimore/Washington, DC/Northern Virginia region that represent thousands of skilled craft professionals in the building and construction industry.
