**Re: St. Elizabeths Parcel 15 Development**

Dear Mr. Parks:

On behalf of Advisory Neighborhood Commission (“ANC”) 8C, I write to support Redbrick LMD for the St. Elizabeths Parcel 15 development. ANC 8C considered both proposals and we concluded that Redbrick will be the better option for our community.

Redbrick has committed to hiring Ward 8 residents, working with Ward 8 CBEs, using quality architects to beautify the community, and they will have mixed income housing for the community. Thus, ANC 8C supports Redbrick LMD’s proposal for the Parcel 15 development. Please do not hesitate to contact me if you have any questions.

Respectfully,

Mike Austin,  
Chair, ANC 8C
